Petersilea's Piano-Forte System

ENLARGED and REVISED.

This Popular Method is unlike any other ever issued. Its success in the PETERSILEA MUSIC SCHOOL, is more than endorsed by the demand for it since issued. The plan of the work is original. Musical form is constantly kept in view. Previous training of the hands before scale practice is a special feature. It is claimed that there is no method in the world equal to the PETERSILEA for giving *Delicacy of Touch, Rapid Execution* and *Equality of Tone.* The work is strictly progressive, and the laws of Harmony are kept closely in remembrance. Elegant cloth binding and lettered.

Price, only **$3.00.**

Boston Conservatory Method for the Piano

WITH ENGLISH FINGERING,

By JULIUS EICHBERG.

The Author did not originally design issuing an edition of this work with the so-called English fingering, but there has been such a continuous demand for it, from all parts of the country and the Canadas, that it has been deemed necessary to comply with the request. No Instruction Book for the Piano has ever become a universal favorite so quick as the above. None try it but to like it. It is the most simple, complete, thorough, and progressive Piano Instructor ever offered to the public; and the price comes within the means of every one wishing to learn to play the Piano. Price, **$2.50.**

Boston Conservatory Method for the Piano-Forte,

WITH GERMAN FINGERING,

By JULIUS EICHBERG.

It is the fullest confidence and assurance in the great excellence and merit of this Method that induces the publishers to offer it to teachers, scholars, and the general musical public. The first edition of this Method with German fingering, has been exhausted, and a second is now ready. No additions were thought necessary, and no changes from the original have been made in the later editions. The Author and Publishers feel highly flattered by the high encomiums passed upon the Method, by both teachers and the general public, and beg to assure all that they have the fullest confidence in the great excellence and superior merit of their Method over all others. We would invite the trade, seminaries, schools, and teachers, to send for specimen copies of the above work. Price, **$2.50.**

WHITE'S SACRED QUARTETTE BOOK,
